

Product information

CONDENSER CLEANER

1L READY TO USE

HEAVY DUTY FORMULATION

Formulated to meet the needs of today's tough environment faced by condensers.

A heavy-duty formulation that will effectively cut through the toughest dirt or grease to enable maximum system efficiency - a must in today's environment.

- Maximum foaming action
- Dissolves grease and oil
- Safe to use on aluminium fins

PACKING & SHIPPING

Pack quantity:	12 x 1L
Pack size (L x H x W):	330 x 260 x 330mm
Pack shipping weight:	13kg

INSTRUCTIONS

Wear eye and skin protection when mixing or applying product to avoid irritation. Turn off unit before cleaning. For best results: **1** Apply enough product to wet the coil completely. **2** After 30 seconds apply a further liberal application horizontally and methodically across each bar of the coil. You will then start to see a light foaming build up in between the fins. **3** After a further 2 minutes add a further liberal application horizontally across each bar. **4** After 5 minutes rinse the coil with plenty of clean water.

For professional use only.
Keep out of reach of children.

DANGER

H314 Causes severe skin burns and eye damage.
P264 Wash hands thoroughly after handling.
P280 Wear protective gloves/protective clothing/eye protection/face protection. **P305+351+338** IF IN EYES: Rinse cautiously with water for several minutes.
